Other Student-Level Information

What other student-level information does your school collect?

F/R Lunch	Special Ed status	Ethnicity
Enrollment History	Attendance History	Gifted Status
Disclipline History	Student Portal Use History	ELL Status
Gender	Birthday	Native Language
Testing History	IEP Status	Academic Contract

Data Wish List

Are there any other types of assessment data you would like to see your school collect and use to improve instruction?

I would like to collect all assesment data.	The most difficult aspect of this would be getting the data keyed.
I would like to collect examples of student work online as well.	This is getting closer to reality as more of my teachers go paperless.
